選舉政綱

1 維護「一國兩制」以香港為家

確保來自不同文化和種族的香港人都感到自己是香港一分子，以香港是我家。

根據《基本法》條文涵蓋的所有範圍，維護「一國兩制」。

2 盡速覓地讓市民安居

堅定行使收地權力，以能盡速覓地，於新界北發展新市鎮提供額外的住宅單位，讓市民可以安居。

為住宅單位設定一個單位面積的最低標準，讓香港家庭都能夠享有一個合理宜居的生活環境，同時消除任何因住屋問題不利於港人組織家庭的因素。

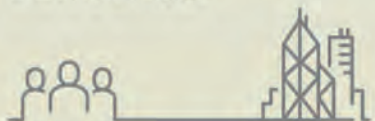

3 扶助基層、弱勢家庭改善生活

在新一屆立法會任期內，逐步將最低工資提升至時薪六十元，以扶助貧窮勞動人口及退休人士改善生活；鼓勵僱主繼續僱用年長工人就業，或重僱退休人士等相關措施，有力減貧。

4 振興經濟全面招商

向海外和內地的公司和企業家宣揚和推廣香港特別行政區的投資和營商優勢，促進全球和內地企業和投資者來港營商，並以香港為外商進軍中國尤其是大灣區，以及亞太地區市場的基地，亦作為內地企業走向國際市場的跳板。

歡迎來自全球各地的人才來港生活和工作的，體現香港作為亞洲國際都會的地位和角色。

《基本法》和其他法律問題 5

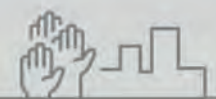

就《基本法》二十三條完成本地立法，並確保法例條文符合《基本法》第三十九條有關《公民權利和政治權利國際公約》的規定而訂立。

確保所有重要的本地法例立法工作嚴謹、專業。在法案通過前，會經過立法會法案委員會詳盡審核和考慮。

根據未來各級選舉的結果，並總結新一屆立法會工作的成果和經驗，考慮如何根據《基本法》的規定，推展香港未來民主發展的方法和步伐。

Manifesto

1 Hong Kong is Our Home

Ensure Hongkongers of all cultures and ethnicities are made to feel part of the Hong Kong family.

Preserve One Country, Two Systems in all respects as provided in the Basic Law.

2 Land and Housing

Urgently provide additional land for housing by developing new towns in the northern New Territories, with resolute use of land resumption powers.

Set a minimum size of apartment for residential use so as to provide a decent living environment for Hong Kong families, and remove any disincentive to raising a family.

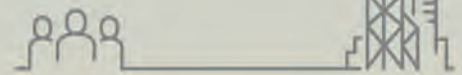

Alleviation of Poverty 3

Move to improve livelihood and alleviate poverty among working poor and retirees by package of measures including programme of annual increases in minimum wage to reach \$60 per hour over the LegCo term, and encouraging employers to provide continued employment of their elderly workers and engage seniors wherever practical etc.

4 Growing the Economy

Promulgate the message to overseas and mainland companies and entrepreneurs that they are welcome to conduct business in Hong Kong and use the SAR as a base for China, especially the Greater Bay Area, and the region, and as a springboard for international markets.

Welcome talents from all four corners of the world to live and work in Hong Kong, as befits Asia's World City.

Basic Law and Other Legal Matters 5

Enact legislation to implement Article 23 of the Basic Law, in a manner compatible with the International Covenant on Civil and Political Rights, as provided in Article 39.

Ensure all items of major legislation are subject to close scrutiny in Bills Committees of the Legislative Council.

Review the outcome of the upcoming elections, and experience of the new LegCo term, to consider how and when to resume progress on democratisation as provided in the Basic Law.
